

A SOULFUL SAFARI EXPERIENCE

The Jabulani Soulful Safari experience touches the hearts of even the youngest of our guests. Our JabuJuniors programme promises that our young safari-goers experience the best of South African wildlife and allow them to dig deeper into the fun world of soulful conservation.

Your children have the opportunity to become JabuJuniors Conservationists in the making or be accredited in our JabuJuniors Ranger Academy; taking home personalised certificates to fondly remember their Jabulani and South African wildlife experience for many years to come.
